NEWS

Hermon Debrexion and Kibrom Tewolde

On February 26, 2023, our kids who attend Indian Valley Elementary School in Walnut Creek, California, participated in its Cultural Heritage Festival. It was a great opportunity to introduce the Eritrean culture. This cultural exchange builds a strong bond between the school community and home. Our children felt very proud of their culture and family heritage. The school set up a table and a board for us. We made a large tri-fold poster decorated with our popular sports and champions. We added pictures of beautiful women who represent the nine nationalities of Eritrea. We also put pictures of our two ports, Massawa and Assab.

This year our kids dressed up differently. Hana, eleven years old, dressed as representing Bilen, and our two sons, Nathan (9) and Buruk (8) were dressed as Rashadia.

We brought injera, ades, shiro and kilwa as cultural food to our table. People enjoyed our food until we ran out of everything.

Our table was decorated with various cultural symbols and items such as mesob, jebena with fenajil, mebli qursi, and tshali.

People took brochures about Eritrea and small Eritrean flags from our table.

It was really an amazing day. Our kids were so proud of their people, and country of origin.
